

**Wheatley, Scotland's leading housing, care and property-management group, is made up of nine partner organisations who work together to make homes and lives better across Central Scotland.**

Every part of our group is rooted in its local communities and committed to delivering excellent services.

Now, as we embark on the next stage of our five-year strategy Investing in Our Futures, some of our partner organisations are looking for new board members.

With plans under way to build 10,000 new homes and invest £260 million in existing homes – and to become a leader in innovative, personalised care and support services – there has never been a more exciting time to be part of the governance at Wheatley.

In particular we are looking for individuals with the following skills:

**Barony Housing Association (2 vacancies)**

- › Accountancy and internal controls
- › Corporate finance
- › Community empowerment and tenant engagement
- › Housing and public policy environment

**Loretto Care (2 vacancies)**

- › Care operating and legal/regulatory environment
- › Health and Social Care Partnerships
- › Business development/commercial
- › Strategic IT

**Loretto Housing Association (1 vacancy)**

- › Housing management
- › Care sector

**West Lothian Housing Partnership (3 vacancies)**

- › Financial management
- › Risk management and internal controls
- › Senior public/private general business experience
- › Community empowerment and tenant engagement
- › Social housing legal/regulatory environment.
