

Cantraybridge College

Non-Executive Board Member

Cantraybridge College is becoming renowned for its expertise in supporting young people with additional support needs to reach their potential. Whether learning disability, autism or long-term health conditions, we strive to make continuing education and inclusion in the labour market a goal for everyone to achieve.

If you have ever marvelled at the opportunities you have been given to learn and grow and would like to give this opportunity to someone who hasn't had the same chances, then think about putting your skills to good use by becoming a Board member and Non-Executive Director at Cantraybridge College.

The Board meets 4 times per year, plus an away-day and there is a requirement for members to serve on at least one sub-group [finance and audit, HR and quality of service] which meet as required.

We're specifically looking for people with skills in health and social care management, accountancy, legal and fund-raising.

Application forms and further information can be accessed via our website:

<http://www.cantraybridge.co.uk/apply/board-vacancies-march-2016>

or you can contact:

Eilidh at in our administration office at
eilidh.shields@cantraybridge.co.uk to arrange a discussion and a visit with our Chief Executive, Lisa Buchanan or you can contact Lisa directly at lisa.buchanan@cantraybridge.co.uk
